

“My challenge is to find workable solutions that achieve the best possible outcome for all parties.”

## **NICK COOPER**

Partner, Adelaide

### **Professional Experience**

Nick brought Worrells to South Australia in 2014 as Partner of the Worrells Adelaide office.

Nick's long standing local presence and business acumen finds a synergy with Worrells advanced systems and national cohesion. It was recognised that Worrells' culture and service innovation together with Nick's knowledge and service goals would provide for an enhanced service offering in South Australia.

Nick has over 20 years' experience in insolvency and business reconstruction. Qualified as both a Chartered Accountant and Barrister/Solicitor (non-practising), Nick provides services in corporate insolvency, business recovery, personal insolvency and business advisory. He also delivers services in forensics, expert witness reports and investigative accounting.

He is a member of CA Australia and the Australian Restructuring and Insolvency Turnaround Association of Australia. With well-rounded qualifications and on the ground experience, Nick is sure to provide sound insight and solutions.
