

"I enjoy the challenges of different forensic accounting assignments which allow me to combine my inquisitive nature and accounting skills."

## ANITA OWENS

Partner Forensic, Worrells QLD

Anita spearheads a new tailored service offering to the Worrells' network in the area of forensic accounting. Anita has over 25 years experience in the field of accountancy. Her extensive skill base has been tried and tested across an exhaustive list of business models and industries.

For the last decade she has worked solely in the insolvency, business reconstruction and forensic accounting field. Her background in tax, audit and insolvency provides the skills and experience to encompass the transition to delivering advanced forensic accounting services.

Anita's forensic experience includes commercial litigation support, family law matters, estate disputes, business valuations, investigative accountants reports and fraud investigations.
