A small Lake Macquarie bowling club has been placed into administration.

Worrells Solvency and Accountants have been appointed administrators to the the Burwood Colliery Bowling Club at Whitebridge, after a meeting of the club's board of directors.

The bowling club, which overlooks Dudley Beach, is continuing to operate while the administrators assess the options available for the future of the club.

Administrator Graeme Beattie says a report on the club's situation and future options will be given to creditors early next month.

A meeting of creditors is then expected to be held mid September to determine the bowling club's future.

In the meantime, memberships will continue to be honoured, along with events and functions that have already been booked at the club.
