

INSOLVENCY MANAGER

The Opportunity

Our Rockhampton office has an opportunity for an experienced Insolvency Manager to join their team. This is a great opportunity to join like-minded individuals at a progressive firm that is at the forefront of the industry.

As a Manager, you will be responsible for the financial and operational performance of your team in line with the strategic direction of the business. Your main focus will be on managing insolvency appointments and other engagements, whilst driving operational excellence across the team. You will be required to role model the behaviours expected from the management team and help to create a high performing culture within the business and in the maintenance and growth of our referral partners.

The Company

Worrells is a fast-growing Insolvency Firm that has carved a successful niche in the SME market through delivering quality service and processes through its unique systems. Worrells is a National firm consisting of 28 partners with over 150 staff across 26 locations throughout Australia.

What we Offer

- The opportunity to be a key member of the management team and to use your enthusiasm and experience to shape the future of the business.
- The ability to grow as a professional and to build your career through your tailored learning and development program.
- A friendly and supportive environment for you to work and achieve your goals.
- The opportunity to lead a team and assist the business to fulfil its strategic vision whilst developing your own non-core insolvency skills.
- Leading unrivalled technology for you to work with to ensure that you are excelling in everything you do.
- The opportunity to further progress your career by developing your own referral network.

About you

- Degree qualified in Accounting/Commerce or equivalent
- A full member of CA ANZ or CPA Australia
- A full member of ARITA
- 8+ years insolvency experience
- Excellent Communication and People Management skills
- Strong IT skills
