

WORRELLS

SOLVENCY + FORENSIC ACCOUNTANTS

WHO WE ARE

We are a firm dedicated to solvency management, insolvency administration, and forensic investigation.

We know that dealing with personal or business insolvency can be stressful and the pressure is increased when it becomes difficult to obtain reliable and clear information. Our value proposition is grounded in using Plain Talk, giving Straight Answers, and delivering Fast Results.

Professional advisors find themselves in a tough position and in need of credible and helpful answers to their clients' insolvency challenges, as and when they happen.

We know it. We get it. And we want to help.

We assert that insolvency is not just about debts, accounts, and possessions—it's about people. Our purpose is to assist people legally address impossible financial obligations. Insolvency law is designed to give relief and the best chance of rightful compensation to those who gave their products and services to individuals or business owners, without rightful payment.

Simply put: we help solve debt problems to allow everyone to move on with their lives.

POINT OF DIFFERENCE

Our proprietary technology is unrivalled in our profession. Our website is updated twice a day with relevant and comprehensive file information in real time. All stakeholders can easily communicate directly with partners and team members regarding particular administrations, or to obtain general information and advice.

Worrells' record in insolvency dates back over four decades. We've specialised in all insolvency administrations—in personal and corporate matters as bankruptcy trustees and liquidators—and are proud to have more bankruptcy trustees than any other private insolvency practice in Australia.

With over 150 Worrells' team members in offices across Qld, NSW, ACT, Vic, SA, and WA, we are resourced nationally but focused locally.

WHY US

We offer seven good reasons why professional advisors, creditors, businesses and individuals should choose Worrells to get relief from financial challenges:

- 1. Specialist firm:** Our partners are registered insolvency practitioners.
- 2. Capable:** Our 40-year plus history and experience offers insight and solutions to individuals and businesses across various industries and regions.
- 3. Technology:** Our proprietary technology is customised to current and future market needs. Each task is perfected and systemised and ensures quality and cost control.
- 4. Communication:** We tell you the what, who, where, when, why, and how on administrations quickly and regularly.
- 5. Reporting:** We report efficiently and frequently through digital and hard copy channels.
- 6. Costs:** Our simplified solvency management rates combined with our proprietary technology deliver a price competitive result. We never charge for juniors to file, photocopy or make coffee.
- 7. Respect:** We know that both debtors and creditors are under great stress at these times. We treat all parties fairly, with respect and due consideration.

“Focused locally, resourced nationally—
