

"I believe in helping people work through their financial problems by providing relevant advice that is clear, honest and trustworthy."

JOHN GOGGIN

Partner, Cairns

Professional Experience

John opened the Worrells Cairns office in August 2018 having spent over 10 years specialising in Insolvency and Forensics at local professional firms. John has over 28 years' experience in professional accounting practice and brings a wealth of experience to the Worrells network.

John has gained experience in several complex insolvency administrations in Far North Queensland including:

- > Glenwood Homes Group
- > Northbridge Properties
- > Edward River Crocodile Farm
- > Skardon River Kaolin Mine

John specialises in:

- > Liquidations (voluntary & court)
- > Voluntary administration & Deeds of Company Arrangement
- > Receiverships (private & court)
- > Bankruptcy estates (voluntary & court)
- > Personal insolvency agreements (Part X)
- > Statutory trusteeships (for sale of property)
- > Forensic accounting (business valuations & fraud investigations)
- > Expert witness reports (family law assignments & economic loss assessments)

As a bankruptcy trustee and registered liquidator, John works with people who are susceptible to or amid financial stress. Qualified and experienced insolvency advice is a specialist field and John believes that financial solutions require relevant advice that is clear, honest and trustworthy.

Professional Registrations & Qualifications:

- > CPA
- > Registered bankruptcy trustee
- > Chartered accountant
- > Member ARITA
- > Registered liquidator
- > Forensic accountant
